Explanations	

Version 3.9.0 of Kron PAM, our Company's Privileged Access Management (PAM) product, has been made available as of 01.10.2026. With the new version, access by artificial intelligence (AI) agents to corporate systems can be managed and monitored through Kron PAM.

The related press release was published on 01.10.2026.

Respectfully announced to the public.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
